#### Director's Message

I trust that the time spent at your school has been rich in friendships, both with your classmates and faculty, and that the lessons learned will be but the groundwork of far-reaching and satisfying accomplishments in the years ahead. In this regard, I would suggest that your attitude is the most important attribute necessary to success and happiness. Yes, and the most important factor in your attitude should be WILLINGNESS:

Willingness to work,

Willingness to learn,

Willingness to share the load,

Willingness to respect the other fellow's point of view,

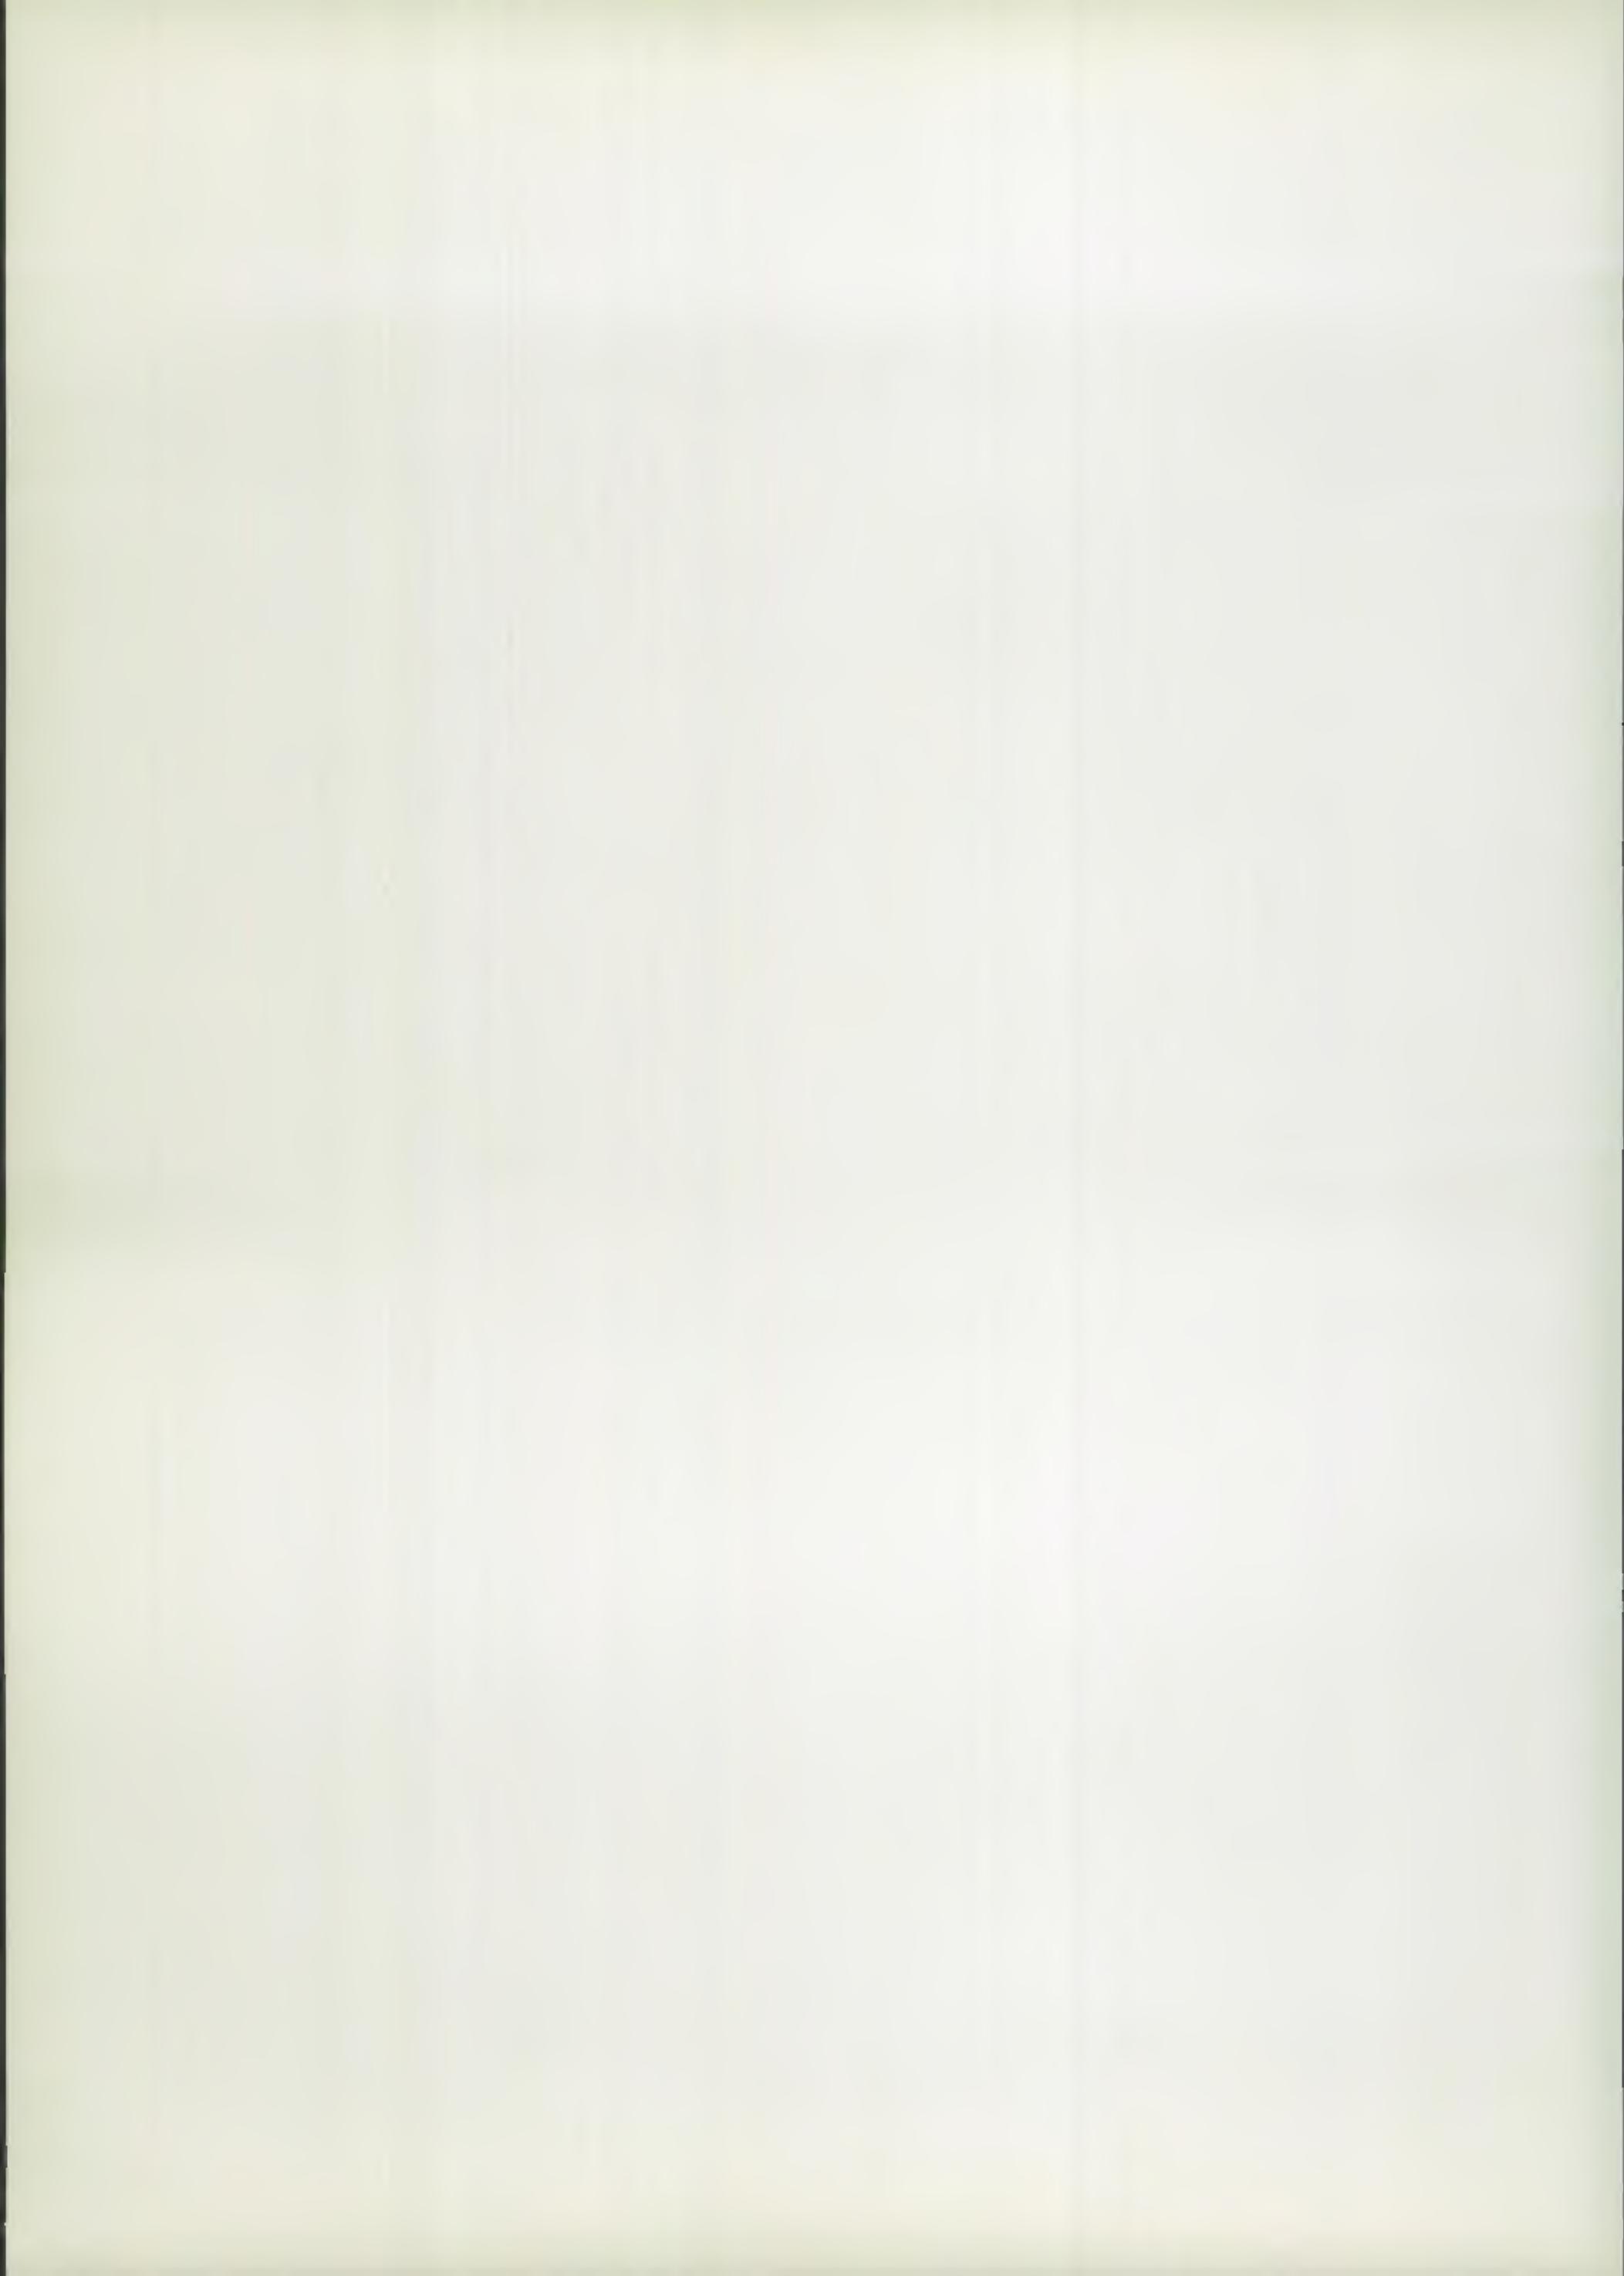

Willingness to make decisions in the right.

I believe that your life will be the richer for your thoughtfully directed WILLINGNESS, and I so urge you to strive for the ultimate in this

Yours has really been a brief but pleasant stay with us, and I cordially invite you to visit with us often.

I wish you every success in your chosen field of endeavor.

James A. Booth  
Director

### BASKETBALL 1960-61

With three returning veterans, the Vocational Five started practice in November with the hope of climbing out of the league cellar. Completely lacking in height and manpower, and featuring two starters playing their first basketball game, the seven man vocational team started its season.

Although there were many close games, the team could not find the winning way. Two overtime losses to Somerville and several other close games kept the team alive.

Joe Brennan, a junior led the team in scoring with 249 pts., for a 21 pt. per game average. At 5' 10" Joe was a backcourt star, who doubled at jumping center. Five veterans will make the Voke a better team next year.

### BASEBALL 1960-61

The baseball team enjoyed a good season, ending up with a 4-4 record. Everett, the league champs had to play hard baseball to top our competition.

Joe Brennan was once again the outstanding player, leading the team in hitting with a .577 batting average and covering his centerfield position in big league style. Donald DeBaradinis and William Furlong, a pair of talented sophomores, handled the pitching duties for Mr. Kirby. Joe Brennan won the highest batting trophy and Frank Cefaioli the outstanding player award this year. With several players returning, next years team promises some exciting moments.

#### FENCING

The fencing team was under the direction of Mr. Lafionatis this year. Mr. Arvanitis the former coach attended frequently to assist and participate. Most of the competition was between team members.

We are looking forward to an active season this coming year.

When the books close, and the last bell rings,  
And carefree days are lost to mundane things.  
When nostalgia strikes, and your memory wanes  
And you remember the faces but not the names--  
Pick up your yearbook and leaf it through,  
And remember the days so dear to you
